

CIVIL AERONAUTICS BOARD

WASHINGTON, D. C.

Civil Air Regulations Amendment 20-23

Effective: Dec. 10, 1941

Adopted: Dec. 10, 1941

"20.617 Permission to use aircraft. The owner of an aircraft shall not permit any person to operate such aircraft unless he has ascertained that such person is the holder of an appropriate currently effective pilot certificate by actual examination of the certificate and by requiring such person to identify himself as the person referred to in the certificate. If any pilot is found to have piloted an aircraft after December 10, 1941, without possessing an appropriate currently effective pilot certificate, the owner of the aircraft will be presumed to have permitted such piloting in violation of this section."
